Vodafone Business Answering Service – Business Receptionist

Service description

Vodafone Business Answering – Receptionist Message is a service that allows customers to have a live operator answer calls made to their business number. The operator will greet the caller on behalf of the Vodafone customer and can transfer the call to the customer or send a message to specified numbers via SMS or specified email addresses depending on the customer's preferences.

Information about the service

| Business Answering Service – Business Receptionist | Minimum term |
|--|----------------|
| Our Business Receptionist Service is ideally suited to businesses of all sizes looking to provide their callers with a professional receptionist experience 24/7. | 1 month |
| You can divert your mobiles, landlines, 1300 or 1800 numbers to us permanently, for call overflow or after hours. Incoming calls will be answered in your Company name by professionally trained, Australian-based Receptionists 24/7 and can be transferred to specific people or departments within your business based on your needs. We'll request the callers' name, contact number as well as a brief message if offered. | |
| The callers' details (name, company name, contact number, brief message) will be taken down and immediately sent by email or by SMS to your mobile. Messages may also be viewed in your client portal and mobile application. These will be sent to a specific staff member or department based on the caller's specific needs. | |
| Your company details (business hours, address, website, phone number and email) will also be provided if requested by the caller. | |
